EXPERIENCE

State Farm – Richardson, TX

June 2022 – August 2023

Customer Care Center Specialist

- Utilized proprietary systems and CRM tools to document customer interactions, update account records, and escalate complex issues.
- Managed and prioritized multiple customer accounts, ensuring timely resolution of requests regarding policy changes, new coverage options, and billing inquiries.
- Adapted to both in-office and remote environments, demonstrating strong time management and the ability to maintain high productivity and quality standards.
- Achieved a 95% first-call resolution rate, enhancing customer satisfaction and strengthening long-term customer retention.

Walmart – Plano, TX

May 2021 – June 2022

Front End Associate

- Provided product guidance, facilitated purchases, and resolved customer concerns in a fast-paced retail setting.
- Collaborated with backend departments to support inventory and stocking tasks during high-traffic periods.
- Addressed customer complaints and issues with professionalism, ensuring quick resolutions and high satisfaction rates.

PROJECTS

SpiceSage – Richardson, TX

January 2025 – May 2025

- Developed user account system with personalization capabilities, allowing users to set dietary restrictions and allergies for customized recipe recommendations.
- Built interactive recipe pages with editable ingredient lists and substitution functionality, improving accessibility and flexibility for users with different cooking needs.
- Integrated a step-by-step recipe instruction system with clear formatting and estimated cost per recipe for user convenience.
- Enabled recipe saving and categorization features, giving users the ability to favorite and organize preferred recipes into custom folders.
